OTIS PLACES THEM AT 500 KILLED AND WOUNDED.

Result of the skirmishes on the outskirts of Manila—A complete rout.

DEWEY ASKS THAT THE OREGON BE SENT.

The Filipinos Did Not Execute Their Threat Last Night—Many Prisoners Taken at Manila—Business Again Resumed—Yorktown and Scandia Arrive.

Washington, D. C., February 24.—Gen. Otis today called the War Department as follows:

"Manila, February 24.—Scandia arrived last night. On nights of 21st and 22d, yesterday morning, insurgent troops gained access to outskirts of city behind our lines. Many of our troops were killed and wounded. Completely routed yesterday, with loss of killed and wounded about five hundred, and two hundred prisoners. Our loss very slight. City quiet and confidence restored. OTIS."

## QUIET AT MANILA.

Filipinos Locked Up.—The skirmish between the two forces at Manila, February 24.—10:30 a. m.—Owing to the wholesale arrests of all suspected Filipinos, yesterday, and the clearance of the streets at 7 o'clock last night, the threatened renewal of the scenes of the previous night did not occur. With the exception of a few shots fired in the neighborhood of the penitentiary, the city was as quiet as possible.

Outside Manila the rebels were very active. Near Calocan the brigade commanded by Gen. Harrison Gray Otis, had several lively skirmishes with the rebels. At daylight the enemy was driven back with severe losses.

The feeling in this city is much improved to-day, and business generally has been resumed. Excellent order is maintained by General Hughes's police force, which is universally respected.

The United States transport Scandia, with the Twentieth Infantry on board, has arrived here from San Francisco, which port she left on January 23.

All duties on importations of fresh fruits, vegetables and meats have been temporarily suspended. The reduced provisions customs tariff at Iloilo, and the following officers have been appointed to conduct the civil affairs of Iloilo: Maj. Theodore Starnes, collector; Capt. J. F. Everhart, port captain; E. C. Hatch, Eighteenth Infantry, collector of revenue.

SHARPSHOOTERS BUSY.

An improvement in their marksmanship noted—One Man Killed.

Manila, February 24.—4:40 p. m.—The enemy's sharpshooters have been particularly active in the vicinity of the water front, at the headquarters were removed to a church four hundred yards inside the line. A few small fires have destroyed native shacks in various parts of the city.

The Twentieth Infantry is being disembarked from the transport Scandia. The regiment will be encamped on the water front, at the headquarters were removed to a church four hundred yards inside the line. A few small fires have destroyed native shacks in various parts of the city.

## WANTS THE OREGON.

Dewey says the Battleship Should be Sent at Once.

Washington, D. C., February 24.—The following dispatches have been received at the Navy Department:

"Manila, February 24.—'For political reasons, the Oregon should be sent here at once.' DEWEY."

"Yorktown arrived. Charleston and Petrel cruising around the Philippine Islands. Affairs quiet here. DEWEY."

"The Oregon arrived at Hilo February 4, and at Honolulu February 13. Scandia arrived on Monday. DEWEY."

Mr. Duffen is dispatch agent of the department.

## TO PREVENT INTERFERENCE.

The Possible Reason for Dewey's Request.

Washington, D. C., February 24.—The cablegram from Admiral Dewey, asking for the Oregon, was received with surprise by the officials here. No one knew, or at least would acknowledge that he knew, of the political reason which the admiral says, demands the Oregon. The cablegram was fully discussed by the Cabinet. Admiral Dewey says he feels that the moral effect of the presence of the big ship upon the insurgents themselves, and particularly upon that large element among the Filipinos that is believed to be restrained by the fear of the United States, is of great importance. With such a strong naval force as would be afforded by the reinforcement of Dewey's fleet by the Oregon, there could

Pittsburg, Pa., February 24.—Secretary Alger, with his party returning from Detroit, passed two hours in Pittsburg last night. During his stay here he took occasion to deny a story published yesterday afternoon, to the effect that he contemplates resigning.

He said: "I could not afford to leave the Cabinet under the present conditions. I am perfectly satisfied to leave the investigation of my conduct during the Spanish-American war to the committee on the subject, which has been appointed, and have no fear of the result. I could not relinquish the portfolio as Secretary of War while still under fire."

WORK ON APPROPRIATIONS

MONUMENT AND COLUMBUS HOSPITAL BILLS PASSED.

Governor will Veto the Columbus Hospital Bill - After These Bills Were Disposed of, House Took Up General Appropriations.

Interest in the work of the General Assembly to-day centered around the action of the 30th committee on appropriations. The body continued to work according to the program started yesterday providing for the disposition of the important special appropriation bills before taking up the bill reported by the ways and means committee for general and specific appropriations. The Republicans of the House and Senate were in joint caucus on the general and specific appropriation bill until 2 o'clock this morning, and when they adjourned they had agreed on the bill down to the section making appropriations for the State Reformatory at Jeffersonville. In accordance with the program marked out by the majority, the bill to appropriate \$20,000 for the completion of the State Soldiers and Sailors' Monument in this city was the first of the special appropriation bills taken up to-day. After some heated discussion and by a vote of 10 to 9 the bill was passed.

The House next took up the bill which originally provided for the establishment of a new hospital for incurable insane at Columbus, at a first cost of \$100,000. As amended yesterday, it provides that the new institution shall be known as "The Indiana Hospital for Epileptics." The amount of the appropriation is the same as in the original bill. The bill was passed by a vote of 10 to 9. The bill was being pushed as a result of a combination, the bill passed.

APPROPRIATION BILLS.

House Passed Special Bills Then Went into Committee of Whole.

The Indiana House of Representatives to-day was opened without prayer for the first time since the session began, and it also "knocked out" a number of bills relating to the question of temperance. The committee on the bill reported against Mr. Kirkpatrick's bill against Mr. Lott's bill and against Mr. Williams' bill. Mr. Neal's bill to regulate the sale of intoxicating liquors by druggists was reported favorably. In the call of the vote the members were very low-spirited and the speaker, Speaker Littleton to explain:

"The members seem to be afraid to have their answers known on these questions. Please speak up so you can be heard."

Mr. Blankenship tried to have House bill 10 relating to the duties of state and county officers brought up again on motion to reconsider the vote by which it was defeated, but was unable to do so. Mr. Glessner introduced a motion to have House bill 10 brought up again, printing taken from the committee on printing and was adopted at once. in his county than in any county in the State, and it is not the largest county, either. This brought so much laughter that the orator was unable to proceed, and Mr. Blankenship broke in with a speech.

"I would like to ask you if I have renounced the floor?" exclaimed the member from Laporte.

The Chair told him that he had not "renounced" the floor, and he proceeded.

The bill passed.

Mr. Blankenship then got the floor, and denounced the bill as a fraud, denounced the lobby that was behind it, and said, by the trading of votes, the people of Bartholomew county had been endeavoring to drag a bill through that was opposed by the Board of State Charities and the officers of the three insane hospitals of the State.

Mr. Bonham, of Blackford and Jay, said that, originally, he was favorably inclined to the bill, but he had changed his mind since giving it a careful reading.

Mr. Alchorn, of Owen, declared that the charges made against what was called the lobby were unjust. He said that the lobby was a body of public men, doing, he was willing to be one of the first to do, he was willing to be one of the first to do, he was willing to be one of the first to do.

The motion prevailed, and there were no more speeches.

When the roll-call reached Mr. Beardsley, of Elkhart, he attempted to speak, but the speaker would not permit it under the resolution prohibiting the explaining of the bill, a number of members wandered out in the corridors, and most of them were brought back by the speaker.

The bill was passed by a vote of 10 to 9. A motion was made to reconsider the bill, but it was not brought up again.

The bill, as passed by the House, is materially different from the bill as introduced. The original bill was for the erection of an asylum for the incurable insane at Columbus, at a first cost of \$100,000. As amended yesterday, it provides that the new institution shall be known as "The Indiana Hospital for Epileptics." The amount of the appropriation is the same as in the original bill.

SENATE PROCEEDINGS.

Texas Rangers' Fine - Militia Bill Passed-Other Business.

At the opening of the Senate this morning, Senator Binkley obtained leave to call up concurrent resolution No. 2. The resolution relates to the return of a captured battleflag to the Association of the Battle of Perry's Texas Rangers, appointing a commission to discharge that duty, and making an appropriation for the expenses incurred in the return of the flag.

The resolution provides that the Governor of Indiana shall be authorized to place the flag in the hands of the Association, which desires its return. The flag was captured by the Seventeenth Indiana Mounted Infantry, under command of Major Weller, of Wilder's Brigade, near Cosaville, Mo., October 1, 1861, and now rests in the museum in the Indiana State Capitol.

Senator Binkley moved that the constitutional rules be suspended and that the resolution be taken up. The resolution was adopted by a vote of 10 to 9.

After this the Senate took up the passage of Senate bill 10, which was introduced by Senator New (No. 47) for an act to enable counties to give financial aid in establishing or maintaining a college or university.

The provisions of the bill, the University of Indianapolis, or any other college or university, may receive aid from the county from the levy of a tax for that purpose, ordered by a vote of the county board of commissioners, without opposition.

bill (No. 116) provides that firemen and engineers of steam engines and boilers must be licensed before they are allowed to operate such engines and boilers. The bill excludes firemen and engineers of boilers and engines in the buildings of the United States Government and in State buildings. Its provisions, however, extend to all classes of firemen and engineers who operate engines that carry over twenty pounds of steam. This clause will take the operators of country saw-mills and of some thrashing engines.

Senator Legeman attempted, when his name was called, to have a House bill, which contained the same provisions, substituted for his own bill. This failed, however, on account of a constitutional majority. Senator Legeman then called up his own bill, which was discussed for a time, but the result was that the House bill was substituted for the Senate bill.

## BOWLING TOURNAMENT END

FINAL GAMES OF THE INDIANAPOLIS LEAGUE TO-NIGHT.

Contests for First Place and for Individual Averages Exciting the Most Interest Features of the Games.

The regular tournament season of the Indianapolis Bowling League closes with the games to-night on five alleys. The season has been highly successful, and has not been marred by any wandering such as that which for a time caused some unpleasantness a year ago. All of the teams have at times shown good form, but with some of them these periods of excellence were few and far between. Much interest has been taken in the tournament series, but the members of the league are generally of the opinion that there is not nearly the amount of enjoyment in ten pins that there is in nine pins, and it is believed that the old league will return to the old style of game next year.

The Washingtons have the pennant won, regardless of the results of their two games with the Stock Turners, on the Pastime alleys, to-night, and the members of the crack team will probably get all the fun they can out of the contest. There will be a big crowd of their supporters on hands to congratulate them on their victory in the tournament.

The fight for second place is still on between the Lyras and Independent Turners, but the best the latter can do is to tie their rivals. Two games were separate the two clubs. The Lyras have an additional advantage for holding second place in playing their final game on their own alleys. The I. B. C.'s will be their opponents. The Independent Turners will carry an additional handicap in playing their final game on the Germania House alleys, and also in having to meet the Capital Citys, who have been rolling in much better form in the last few weeks. Should they lose both games they would drop into fourth place, as the Capital Citys are only one game behind them.

The I. B. C.'s and Marions are tied for fifth place, and there is great rivalry between the two clubs. Each wants to remain in the first division. The I. B. C.'s have the harder task cut out for them, in facing the Lyras, while the Marions, on their own alleys, will roll the Old Guards. They stand much the better chance of holding their place in the list.
